

SUMMER TRIP

SILVERQUICKEN
SUMMER PUZZLE #10

In each of the eight columns below, write a six-letter word.

The words each have two hints: the first hint is a standard crossword-style hint, while the second hint is a sort of wordplay. Both hints point to the same answer. Once you have inserted all the words, a relevant 8-letter word will appear horizontally.

Before school starts again, let's take a trip. Maybe it's to the beach, to visit family, or to explore a new place! Find the hidden word by writing each numbered word in its place. You'll see that each one has a straightforward clue and a word play clue. Together you should be able to deduce the numbered word!
